Resume of interactive and print  
designer Chance Graham.

## Work Experience

### Dayton Daily News | Creative Web Team Intern | 2006

Knowledge of standards based web design, creative problem solving, concept development, and time management were used to effectively reach goals and deadlines.

### Shawnee Alliance Church | Graphic Design Intern | 2006

Developed their brand, designed various brochures and advertisements, and maintained their Flash website. Used knowledge of pre-press production to work cohesively with printing companies to oversee projects from start to completion.

## Freelance

### 7 Labs | Web Design | 2007

Redesigned interface and web pages for one of 7 Labs's products.

### 1 Earth | Web Design | 2007

Redesigned template pages of Hobart Cabinet's new product launch.

### COM Publishing | Web Design & Development | 2007

Services include user interface design, information architecture, web design and production for COM Publishing and its subsidiary publishers.

### A Macintosh Store | Web Design | 2006

Expanded and redesigned website and created online advertising.

### Harvest | Brand Development | 2006

Branding for Harvest Church and its subsidiary ministries. Numerous informational brochures.

### The Meeting Place | Web Design & Development | 2006

Set up a user interface and e-commerce templates.

### Sans Remordis | Logo Design | 2006

Logo creation for a Columbus based military and police tactical training facility.

## Education

### School of Advertising Art | Dayton, Ohio | 2007

Associate Degree of Applied Business in Advertising Art.

## Recognition

### CSCA Creative Best Winner | 2006

Recognized as a CSCA Creative Best Winner and published in CSCA annual. Awarded Judges Choice and two Awards of Excellence.

### Greater Dayton Advertising Association Addy Awards | 2006

Awarded four Dayton Addy Awards
